

► From the list above the chart, find two synonyms for each Vocabulary Word. Write them in columns two and three. In the fourth column, write your own synonym for the word.

master                      fatigued                      oath                      expert                      turmoil  
 memento                      disturbance                      wearied                      remembrance                      pledge

Vocabulary Word	Synonym	Synonym	My Synonym
souvenir			
exhausted			
commotion			
vow			
authority			

► Arrange these words on the line below in order of “strength.” Put the word that means the closest to *incredible* next to it on the line. Then put the other words in order. Be prepared to explain why you placed each word where you did.

surprising    uncommon    ordinary    unusual    amazing

**incredible** |                      |                      |                      |                      |                      |

Think of a new pet you and your family members would like to have. Work together to write three sentences to describe that pet. Use at least three Vocabulary Words in your sentences.
